Breaking the Disposable Water Bottle Habit at SAP TechEd

The SAP TechEd staff is pleased to provide each attendee with a refillable, reusable water bottle. Please keep this useful and eco-friendly souvenir with you to use throughout the event and beyond. We appreciate your support in helping us reduce waste by kicking the disposable water bottle habit.

For your convenience, we've already **pre-washed each bottle**. Water coolers are available throughout the Venetian|Palazzo meeting space. One bottle per attendee, so please keep track of yours and remember to bring it with you each day. ■

MONDAY GUEST KEYNOTE: JIMMY WALES

Monday, September 8

5:45 p.m. – 6:45 p.m.

Venetian Ballroom, Level 2

Guest Speaker:
Jimmy Wales, Founder of Wikipedia

"Imagine a world in which every single person on the planet is given free access to the sum of all human knowledge . . . To create and distribute a free encyclopedia of the highest

possible quality to every single person on the planet in their own language – that's who I am. That's what I am doing. That's my life goal."

On Monday night, our special guest keynote speaker Jimmy Wales is guaranteed to get the crowd geared up for SAP TechEd 2008.

Wales created the first open-source online encyclopedia truly by the people and for the people. Wikipedia's articles have been written collaboratively by volunteers around the world, and nearly all of its articles can be edited by anyone with access to the Internet. Having steadily risen in popularity since its inception, Wikipedia currently ranks among the top 10 most-visited Web sites worldwide.

Wales and Wikipedia represent the founding spirit of social media, online collaboration, and community-generated value. "With SAP's leadership in building community, supporting and encouraging an entire ecosystem around SAP, and helping customers gain value from co-innovation, we are excited to hear what Jimmy will have to say about the history of Wikipedia and the future of communities and collaboration," said Chip Rodgers, Vice President and COO, SAP Community Network.

Get to The Venetian Ballroom by 5:45 p.m. for an outstanding and insightful keynote on Monday afternoon. ■
